Sandpiper Shores Elementary School Food Drive a Huge Success!

BOCA RATON, FL, November 11, 2008 – BOCA HELPING HANDS' Executive Director, Linda Gove, visited with Sandpiper Shores Elementary School on November 7th for their annual Food Drive during the spirit rally. The children of Sandpiper Shores Elementary School exceeded their initial goal of 300 pounds and donated an amazing 1250 pounds of non-perishable goods with the increased help of the student population.

"This Holiday Season will prove to be much harder than season's past, but with the help of Boca Helping Hands, hopefully we will be able to ease the burden for some families", says Chantal Brassard of Sandpiper Shores' PTA.

"These children should be so proud, not just doubling, but quadrupling the amount of donations they collected for the Food for Families. We are so blessed to have such young generous hearts in our community." Linda Gove.

Through the kindness and generosity of those who selflessly donate their time, energy and resources, Boca Helping Hands will continue on its mission to deliver compassionate service through food and assistance programs to individuals, families and children to instill dignity and help break the cycle of dependence.
